

## RAISE CIC – Parenting Support

### Parent Support Advisors

The Parent Support Advisors are working with parents and carers of children between the ages of 5 and 12 years.

The Parent Support Advisors are working with clusters of schools; see below to locate the details for your Parent Support Advisor. To find out if your school has a Parent Support Advisor follow this link:

### Parent Support Group

**Has your child got Special-Needs? Is everything a battle?  
Don't know what to do for the best? Not sure what help is available?  
Feel that you are on your own?**

If you answered **yes** to the above maybe we could help. Our Parent Support Group meets every few weeks at St. Josephs School, we offer information, resources and support for parents whose children have additional needs.

We try to get speakers in from various agencies, to talk about issues that parents have raised: behaviour, children's services, special-needs, school transitions, what financial help is available to name a few...

A chance to chat or listen.

Family Events: trips to Wacky Warehouse, recently a Christmas party with Santa!

### Parenting Courses

There are different parenting courses on offer which aim to help you communicate with your child and to handle/manage behaviour.

For a current list of all the courses on offer follow this link:
